Stories

"Finished first week with the Oravan appliance. For the last several nights I slept through without waking up one time. It's been awhile since that has happened. I'm sleeping so well and don't want to get up!"

- Board Certified Sleep Dentist

"I came in and got fitted two years ago for the Oravan device. It's kept me off of the CPAP machine and it's so comfortable and easy to use that I've worn it every night for the last two years."
